Youth to Haiti

WBC will "commission" our missionaries traveling to Haiti during our morning worship service on Sunday, March 25th. We will also hear about how God used them to serve the Haitian people during our service on Sunday, April 15th. Please be in serious prayer for the students (Austin Martin, Kelley Wheeler, Raenah Hawkins, plus two from other churches) and chaperones (Pamela Martin, Bob Young) as they begin making final preparations for their mission trip.

Note from Pamela:

These are items that Crossings has asked us to bring to Haiti with us to use in a Vacation Bible School we will be leading. If anyone would like to donate the items, or money towards buying them, we would be greatly appreciative. Thank you so much!!

The Lighthouse – Mission Opportunity in Worthville

The Lighthouse is an after school program at the Carroll County Middle School for students in grades 4-8. At this time, many students in the Worthville area are not able to participate due to lack of transportation. The director of The Lighthouse, Misty Wheeler, has asked for WBC to help. We are in need of volunteers to drive our church van from the middle school (at approximately 5:30 PM) to the Worthville City Hall building (you would be done by 6 PM). The Lighthouse meets Monday through Thursday each week. WBC is not required to provide our van each day. Ghent Baptist Church currently does this in Ghent two days each week. If you are interested in driving the van (or in being a van rider), please see Bro. Steven as soon as possible
